

MISSOURI SOCIETY OF PROFESSIONAL SURVEYORS

The **USPLSS** for  
**Missouri and Arkansas** in  
**Four Hours**

Thursday, March 16, 2023

**LIVE WEBINAR**

**8:30 am - 12:30 pm**

.....  
**Dr. Dick Elgin, PS, PE**

**Archer-Elgin Engineering & Surveying, LLC**

**Rolla, MO**

The USPLSS for Missouri and Arkansas are similar, having been surveyed under the same instructions. But, there are differences: Missouri has RSMo Chapter 60, Arkansas has no statutory law relative to resurveys on the USPLSS. In the seminar these differences will be discussed, as well as the applicable GLO instructions, methods, lotting, protraction rules, and lost corner reestablishment rules for both states. Calculations methods (with examples) applicable for each state will be covered. All this, instructed by Dr. Dick Elgin, who literally "wrote the book", on the USPLSS for both states.

## **AGENDA**

**8:15 AM**

**BEGIN WEBINAR LOGIN**

**8:30 AM - 12:30 PM**

**THE USPLSS, GENERALLY**

(15-minute break within)

*Original GLO Surveys in Missouri and Arkansas*

*Protraction of Fractional Sections*

*Resurvey Methods, Statute and Case Law*

*Calculations for Reestablishing Lost Corner Positions*

There will be handouts for this seminar, but much of the lecture materials will be from Dick's books "The US Public Land Survey System for Missouri" and "The US Public Land Survey System for Arkansas." This seminar is well suited for LSIT's, comity applicants for a Missouri or Arkansas PLS license, or PLS's who wish to earn PDU's and expand their knowledge of the USPLSS as applied in the two states.

**The Missouri Board for Architects, Professional Engineers, Professional Land Surveyors and Professional Landscape Architects has reviewed and approved this course for 4.0 PDU's (2.0 of which approved as Missouri Standards Education Credits). This webinar can be used for 4.0 hours of continuing education to PS license renewal in Arkansas.**
